To whom it may concern,

J&M Custom Cabinet Shop has been working with Mountain States Construction for many years, and it is with great pleasure that I recommend them for your millwork and custom cabinetry needs.

J&M has consistently been one of our top millwork contractors. They provide excellent quality, are very dependable and their customer service is top notch. They are an integral part of the team of subcontractors that we work with.

There is no doubt in my mind that they will be a great addition to your team as well.

Sincerely,
